County Engineer's Report:

On March 20, 2026, Heneghan Associates presented the Elevation Award to the Jersey County Highway Department at a celebration honoring their 40 years of being in business. The award recognized our partnership in vital surveying and infrastructure projects. The highway department has utilized Heneghan Associates for over 35 projects. Those projects could be highways, survey and right of way acquisition.

Bid opening is scheduled for April 28, 2026, at 10:00 am for oil products for the county and townships.

I will be out of the office from April 10 through April 17 attending the National Association of County Engineers Conference in Ft. Worth, Texas.

Finished completion of all boom mowing for the county and townships. Will start spraying of growth regulator along the county highways in the next couple of weeks. In addition, have been doing patch work and replacement of various culverts.

Placed an order, at the end of March, for a new Ford F350 pickup truck at a cost of \$66,008.00. It will be 4-wheel drive, diesel, crew cab with an 8-foot bed.

Miscellaneous Business

None

Adjourn:

Ed Koenig made the motion to adjourn the meeting, seconded by Sheila Beers. Motion Carried 4-0.

Meeting adjourned at 8:12 a.m.
